UAG RUGGED. LIGHTWEIGHT. ~~DROP-TESTED.~~ PROTECTION

Patented Exoskeleton Design affords us the ability to produce an extremely lightweight case that is both rugged in appearance and Military Standard drop-test certified.

Signature Engineering + Design creates a perfect mixture of performance and brand DNA which carries throughout the UAG product offering.

Rugged Impact Resistant Bumpers on all of our cases results in our entire product line being Military Standard drop-test certified.

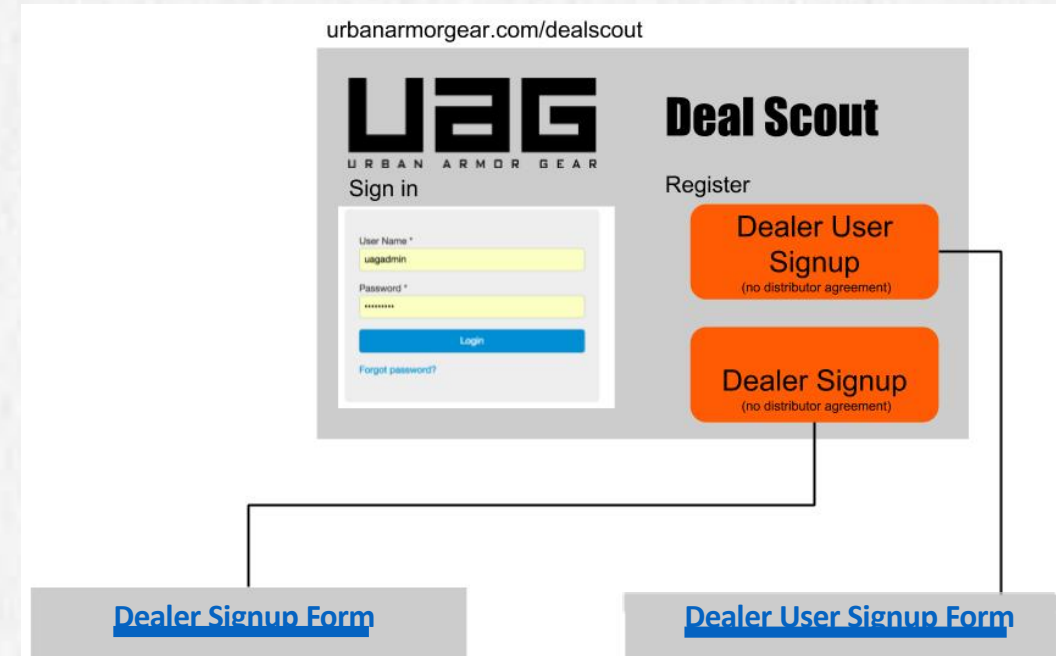

DEAL SCOUT PROGRAM

Program Rules:

- Must be an approved UAG Reseller.
- Unit quantity must exceed 100 units in a single transaction, unless the opportunity is a rollout over a maximum twelve-month period that equals or exceeds 500 units. Rollouts require a forecast of the scheduled purchase dates, in the note section of the deal registration form.
- All deal registrations that don't meet the 100 units minimum will be denied, unless a strategic reason for the first order of less than 100 units is provided for the Deal Scout administrator review.
- Deal Registration require all fields completed.
- Resellers must select a distributor to receive the discount.
- Approved Deals will receive a Special Program Allowance (SPA) **for phone cases - \$0.75 per case**, for any order of 100-1000 units, 1001-3000 units **\$1.50 per case** and 3000+ units **\$2.00 per case**
- Approved deals for **Tablets, Surface Book, MacBook cases and Tempered Glass Screen Protectors** will have a volume per unit POS rebate
 - **100-1000 units \$1.50 per unit**
 - **1001-3000 units \$3.00 per unit**
 - **3001 + units \$4.50 per unit**
- Approved deals will expire 90 days after the original registration date. Rollout expiration dates will be based on the forecasted scheduled purchase dates.
- Approved deals that are close to expiration can be extended by the Deal Scout administrator, if the opportunity is still active and an explanation is provided by the reseller representative.
- Any approved deals that have expired can be registered again as a new deal and will have to be approved by UAG Administration
